

# Hockey Season's Here

Are Your Patients Protected?

**Custom fabricated mouthguards that are properly designed are essential in the prevention of athletic oral/facial injuries.**

### Proform

- Increased oxygen intake for maximum performance & endurance.
- Integrated palatal brace offering better protection for front teeth.
- Made of double-layered material dissipates traumatic forces.
- Endorsed by the NHL and NFL.

### Drufomat Extra (with mouthguard box)

- Precise fitting, no impact on speech or breathing.
- Virtually no elastic memory.
- Optimum shock absorption.
- Many colour options available.

### NOT JUST SUITABLE FOR HOCKEY PLAYERS

Anyone who participates in sports can benefit by having the proper protection.

### EVERY GOOD TURN DESERVES ANOTHER

Providing the community with a valuable service deserves recognition which is why we offer clinic discounts. Contact our office for full details.
